

We are so excited that you will be joining us for Summer of 2023. We will be doing the theme of "Be Transformed" this will build on the last few summers where we have encourage our campers to "Comeback" to God and strengthen their walk in 2021, then we started "Searching for GRACE" in 2022 where we focused on how God's Redeeming Actions Change Everyone. This summer we will look at how they can take their faith in Christ and let it transform their lives as the grow closer to Him.

A few important notes:

Registration please park in the main parking lot and at the start of your registration block make your way to the easy up where they will do a temp check, ask some screening questions and have you sign any additional waivers. You will walk from there to the pavilion beside the dining hall and check in with the registration coordinator. Once you are checked in and they verify you are paid in full and your forms are completed they will have you go to the nurse for meds (which need to be in their original bottles and have either the prescription or doctors order for over the counter medications) or to the table for food allergies if those apply. Once finished there you will be sent to your child's cabin to drop them off. The registrations times and camper information are linked below and are also on the website. Reminder that full payment is due 2 weeks before your camp begins. You MUST be paid in full before you arrive to camp that Sunday. We have embraced the staggered check in times to get you through the process quicker.

Also please remember that pick up is Friday night from 4:30-5:30pm. Please be prompt, campers not picked up by the end of pick up window will be charged an additional nights fee.

New Camper Tips & Tricks

- Going to summer camp can be exciting, maturing, and fun. Below are some suggestions on how you can prepare your camper for a positive camp experience.
- Parents of first time campers pay special attention in preparing for camp. The first time away from the familiarity and comforts of home can be challenging for anyone.
- Consider a pre-camp visit to the site. Call the camp to arrange for a visit. We would be more than happy to show you our facilities.
- Everyone loves to get mail at camp. Some families mail a letter before camp so the camper will get mail on the 1st or 2nd day. Pack stamped pre-addressed letters or post cards with the camping gear to make it easier for them to write home.
- Labeling everything with your camper's name will help prevent confusion and loss. In the cabin, your camper will have items that are like others.
- Please do not send any foods or snack to the campers. Food in cabins attracts mice and other unwanted visitors.
